Plastics piping systems – Thermoplastics pipes and associated fittings for hot and cold water – Test method for resistance of joints to pressure cycling

The European Standard EN 12295:1999 has the status of a Swedish Standard. This document contains the official English version of EN 12295:1999.

Swedish Standards corresponding to documents referred to in this Standard are listed in "Catalogue of Swedish Standards", issued by SIS. The Catalogue lists, with reference number and year of Swedish approval, International and European Standards approved as Swedish Standards as well as other Swedish Standards.

Plaströrssystem – Rör och tillhörande rördelar av termoplast för varmt och kallt vatten – Bestämning av motstånd mot tryckvariationer hos kopplingar

Europastandarden EN 12295:1999 gäller som svensk standard. Detta dokument innehåller den officiella engelska versionen av EN 12295:1999.

Motsvarigheten och aktualiteten i svensk standard till de publikationer som omnämns i denna standard framgår av "Katalog över svensk standard", som ges ut av SIS. I katalogen redovisas internationella och europeiska standarder som fastställts som svenska standarder och övriga gällande svenska standarder.

English version

Plastics piping systems - Thermoplastics pipes and associated fittings for hot and cold water - Test method for resistance of joints to pressure cycling

Systèmes de canalisations en plastique - Tubes thermoplastiques et raccords associés pour installation d'eau chaude et froide sous pression - Méthode d'essai de résistance des assemblages à des cycles de pression

Kunststoff-Rohrleitungssysteme - Rohre aus Thermoplasten und zugehörige Formstücke für Warm- und Kaltwasser - Prüfverfahren für die Beständigkeit von Verbindungen gegen Druckwechselbeanspruchung

This European Standard was approved by CEN on 13 December 1998.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
