Packaging – Complete, filled transport packages – Test methods for the determination of the centre of gravity of a package

The European Standard EN 13054:2001 has the status of a Swedish Standard. This document contains the official English version of EN 13054:2001.

Swedish Standards corresponding to documents referred to in this Standard are listed in "Catalogue of Swedish Standards", issued by SIS. The Catalogue lists, with reference number and year of Swedish approval, International and European Standards approved as Swedish Standards as well as other Swedish Standards.

Förpackningar – Kompletta fyllda transportförpackningar och enhetslaster – Provningsmetoder för bestämning av tyngdpunkt hos en förpackning eller enhetslast

Europastandarden EN 13054:2001 gäller som svensk standard. Detta dokument innehåller den officiella engelska versionen av EN 13054:2001.

Motsvarigheten och aktualiteten i svensk standard till de publikationer som omnämns i denna standard framgår av "Katalog över svensk standard", som ges ut av SIS. I katalogen redovisas internationella och europeiska standarder som fastställts som svenska standarder och övriga gällande svenska standarder.

Packaging - Complete, filled transport packages - Test methods for the determination of the centre of gravity of a package

Emballages - Emballages d'expédition complets et pleins -
Méthodes d'essai pour la détermination du centre de
gravité d'un emballage

Verpackung - Versandfertige Packstücke - Prüfung zur
Bestimmung des Schwerpunktes eines Packstückes

This European Standard was approved by CEN on 1 December 2000.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.

Foreword

This European Standard has been prepared by Technical Committee CEN/TC 261 "Packaging", the secretariat of which is held by AFNOR.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, at the latest by August 2001, and conflicting national standards shall be withdrawn at the latest by August 2001.

According to the CEN/CENELEC Internal Regulations, the national standards organizations of the following countries are bound to implement this European Standard: Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and the United Kingdom.

Introduction

Two methods are described in this document. Other methods may be used.

It is the responsibility of the user of this Standard to establish appropriate safety and health practice in accordance with relevant legislation.
